### AGREEMENT

Therefore, in consideration of the mutual promises contained in this Agreement, the parties agree as follows:

1. Description of Services. Each Technical Partner (TP) has customers or clients that may benefit from those of the other TP. In such cases, the referring partner will refer or engage the receiving partner in the account to jointly provide services, or to have the receiving partner market products and services to the client/customer of the referring partner.

2. Term. The term of this Agreement shall be for calendar years 2016 and shall renew automatically on one (1) year terms each year thereafter unless either party provides notice of its intent not to renew the Agreement in writing by letter or email.

3. Insurance. Both parties shall maintain appropriate coverages of general liability, automotive, umbrella coverage, workers compensation and any other insurance that maybe required by local, county, state or federal law, or by customers served by this agreement. During the course of this agreement, either party maybe required to provide proof of coverage or to add the other party or the other party's customers as additionally insured.

4. Expenses. Neither party shall be responsible for any expenses of the other partner.

5. Payment for Services. Each referred client/customer may have unique relationships

5.1 Referral only – there are no payments, commissions or money to be paid between the partners

5.2 Referral with commissions – The receiving partner shall pay the referring partner a commission/residual on the referred client/customer according to a mutually agreed-upon rate prior to the referral

5.3 Referral with subcontractor payments – in some cases, the referring partner may choose to use the receiving partner as a subcontractor, getting quotes for products/services and providing them to the referring partner's client/customer. In this case, the referring partner bills their client/customer for the product/service and then pays the receiving partner as a subcontractor according to mutually agreed pricing schedules prior to the engagement.

In each referred case, there shall be some type of agreement in writing or email that defines how the receiving partner is to be paid. In the absence of such agreement, the referring partner shall pay the receiving partner for products/services provided within 30 days of receiving funding from their customer or service provider.

In addition to any and all other rights available according to law, if either party defaults by failing to substantially perform any material provision, term or condition of this Agreement (including without limitation the failure to make a monetary payment when due), the other party may elect to terminate this Agreement if the default is not cured within 15 days after providing written notice to the defaulting party. The notice shall describe with sufficient detail the nature of the default.

8. Relationship of the Parties. No acceptance of payment or performance after any breach shall be deemed a waiver of any breach. No failure or delay to exercise any right by a party upon another's default shall prevent that party from later exercising that right, nor shall such failure or delay operate as a waiver of any default.
